Black currants, crushed rocks, vanilla

°Bx

26.2°

Cassis, blackberries, dark chocolate

TASTING NOTES

Bold, rich flavors and aromas of black currants, vanilla and crushed rock. Showcasing powerful tannins with dominate flavors of dark chocolate, cassis and blackberries. Delivering on taste with a long finish that is structured and balanced makes this handcrafted wine a must have in your cellar.

APPELLATION

STAGECOACH VINEYARD

The largest, and one of most acclaimed vineyards in Napa, Stagecoach climbs between 900 and 1700 feet up the southern face of Pritchard Hill to Atlas Peak. The site is planted to a wide range of varietals and rootstocks and features several distinct microclimates. We source our Cabernet from a small, steep block near the top of the site. This section is lower-yielding than most of the vineyard. Stagecoach Vineyard is rich in story, rock and perennial high scoring wines.

VINTAGE

2014 was another in a string of impressive vintages for California. A warm Spring brought on early bud break and flowering, which of course meant an early harvest - one of the earliest on record until 2015. The weather was warm and even, without heat spikes. As a result the wines are structured and balanced with ripe fruit flavors, good natural acidity and refined tannins. They should age very nicely!
