TASTING NOTES

Full bodied with muscular tannins, a complex palate and broad mouthfeel. Already quite approachable but has the acidity and tannins to age very nicely.

APPELLATION

STAGECOACH VINEYARD

The largest, and one of most acclaimed vineyards in Napa, Stagecoach climbs between 900 and 1700 feet up the southern face of Pritchard Hill to Atlas Peak. The site is planted to a wide range of varieties and rootstocks and features several distinct microclimates. We source our Cabernet from a small, steep block near the top of the site. This section is lower-yielding than most of the vineyard. Stagecoach Vineyard is rich in story, rock and perennial high scoring wines.

VINTAGE

2015 was one of the best vintages California has seen! An early start in the Spring led to an early harvest. There was 60% less fruit on the vines than in 2014; thus, the resulting wines are concentrated and powerful.
