TASTING NOTES

Our Rosé brings together a fresh blend of varietals that are in perfect harmony for a classic California Rosé. Surprising acidity brings forth a dry and crisp wine that is light and pretty. Flavors of fresh berries, plums and rose petal give a mouthfeel of freshness, while on the nose hints of honeysuckle, orange peel and strawberries. This wine is perfect for the summer months.

VINTAGE

2016 was one of the best vintages California has seen! Warm days and cool nights yielded wines with ripe flavors, ample structure and vibrant acidity.

CHARITY

100% of revenue from the 2016 Rosé goes to supporting Oklahoma Project Woman.
